

# TALON (PART #: TAL001)

Talon is a versatile dual hook hand safety tool that can be used to hook, pull, grab, pick, push, pull and guide. Talon is light, durable and compact so it can be used just about anywhere.

## USES:

Talon can be used in any situation where there is a risk of hand or finger injury due to pinch, crush or cut hazards. Uses include but not limited to; material handling, pipe, rebar, oil rigs, drilling rigs, picking or releasing elevator latches, guiding material, pushing material and objects and much more. Talon can also be used as a holding and positioning hand safety tool.

## WARNING:

DO NOT USE AS A PRY BAR. DO NOT USE AS A HATCHET OR AXE.

## CAUTION!!!

Keep hands and fingers away from pinch, crush and cut hazards. Always wear gloves and other personal protection equipment when using.

Take care of your tools and your tools will take care of you.

**PLEASE READ THIS IMPORTANT USAGE AND SAFETY INFORMATION BEFORE USING THIS PRODUCT !**
